STORY THUS FAR

Pandora is a fledgling goddess who has come to Earth to retrieve from other deity hopefuls all the "Gifts" from God: little cherubin creatures that give the bearer a bond with a slave, which turns into a weapon when encountering other gift bearers. Odd, but true. In addition to her divine nature, Pandora is quite voluptuous, which makes her the apple of everyone's eye...except, ironically, the person she has chosen as her slave, Aoi. When he first encounters Pandora, Aoi doesn't even believe that she is a goddess. To prove herself, she calls upon a great tsunami to hit the city.

Weeks later, the population is reeling and recovering from the tragedy, and a much smaller, non-voluptuous Pandora is crawling through the streets. It seems that when she uses her powers, she reverts to a smaller form and requires a kiss from her slave, in this case Aoi, to be restored. So she just didn't have the power to fix her mistake.

A reluctant Aoi decides to take her in, and he, Pandora and Mattsun, a chain-smoking, wise-cracking feline, set to the task of severing the bond between master and servant for enslaved humans and releasing the "Gift," the aforementioned cherubin creatures. If Pandora can capture all of them, she will become a true goddess. In their first clash, Pandora turns Aoi into a pair of wire-cutters to snip the bonds away. Trust me, that is the last sensible implement Pandora decides to conjure in the pursuit of the Gifts.

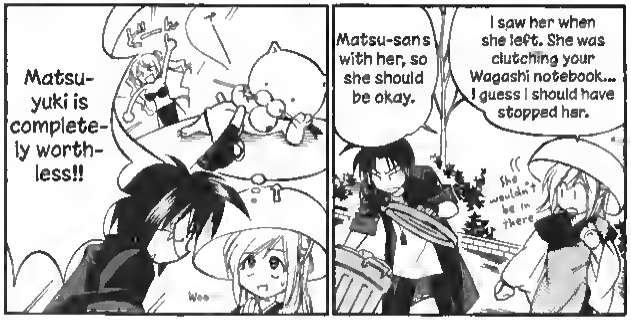
In their subsequent exploits, the team brings into their flock a young monk named Maya Amagi, who is so cute and innocent that he is often mistaken for a woman.

Read on about the ever-increasing team of mangy misfits as they help Pandora get all of the Gifts...

Because, after all, SHE IS THE GODDESS!

Unable to call upon the power of the Gods...
Pandora is still incomplete as a Goddess.

Chapter 7: Aoi's Sisters
Collect the gifts of the gods. When you have gathered them all...
...only then will you possess the power of a true goddess.



Matsu-yuki is complete-ly worth-less!!
Matsu-san's with her, so she should be okay.
I saw her when she left. She was clutching your Wagashi notebook... I guess I should have stopped her.
She wouldn't be in there

Chapter 7: Aoi's Sisters

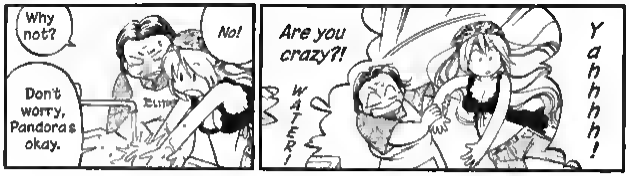
The game's version
It might not be as high class as the stuff in here though. Call mine Dagashi!
If this is Wagashi, then...



Why not?
No!
Don't worry, Pandora's okay.
Are you crazy?!

Where is she?
That's because she's...

You dropped this.
Oh...you're interested in Wagashi? No wonder my stall grabbed your attention.

Huh ...?
Or did you actually spot Pandora-san?
Oh... n-no.
Do pop singers anger you?
I must have been seeing things...
Did I imagine it? I thought I felt her presence.
Sister Shiran, did you see that?
Aoi suspects something!
What do you mean, Aoi-san?
I'm just tired, that's all.

You read the gossip pages, Amagi-san?
Oh my goodness! Look at these pictures!
I don't make a habit of it, but even I've heard of Shunran.
Hold on a second.
Maybe we should backtrack ...
Shunran... it couldn't be...
The Head Nun likes her music
She's that singer with the mysterious past who always hides her face.
So, this is what she looks like, eh?
So, you're interested, too, Aoi?
Hey!

But Kotsura-san will bring him back for sure!
You know it.
Aoi has na idea...haw much we need him.
Yeah
I want to get this over with and show Araragi-sama that Aoi's okay. ♥
Why can't we just grab him now?
I know how you feel, but we have to hold off.

Your last name is Ibara, too...isn't it, Aoi-san? It's kind of an uncommon name.
.....
Ooooh! Shunran's sister is Shiran Ibara, the model. What a family!

It's hard to believe...
...but you're usually right about these things.

Please get in the car so that I may return you to them.
She seems scary.
Shunran-sama, Shiran-sama, and above all, Araragi-sama, have been terribly worried about you.
Katsura-san, I don't acknowledge the people you mentioned as my family. I'm staying here.
That's right! What, what?
And, hang on did she say Shunran-sama and Shiran-sama...?
Huh?!
Home? Aoi-san, are you the heir to a wealthy family?
As long as you are with that girl...
I regret to inform you that you cannot run away.
I'm not a girl!!
I'm not talking about you.

Besides... that's not my name anymore.
She's a celebrity. It's probably a stage name?
That car's pretty fancy...
Yow!
Oh!
That's right! You've renamed yourself in honor of the God Hotel.
Speaking of Gods, we almost forgot about Pandora-san!
I've come to take you home.
Aoi-sama...

Pandora's taiyaki looks awful! Like someone vomited bean paste into a fish mold!

I'd like you to get a taste for what it's really supposed to be like, that's all.
Auntie, you're nice to Pandora even though you're not charmed by her. Why?
Call it a free sample
What's that?
But I do admire your spirit jumping in and trying something new.
Have this, instead
Really?
Yeah, I wouldn't eat it if I were you.
That's so nice! Pandora doesn't have any money, but she's the Goddess, so she'll thank you in other ways!
Huh?

We need to kill Pandora. It's the only way to protect ourselves.
Katsura-san, do you have a Gift inside you?
Aoi-san... could she...
Then you mean--
We don't want you...

What he's thinking is a hammer.
It's time to clean up your mess, Pandora!

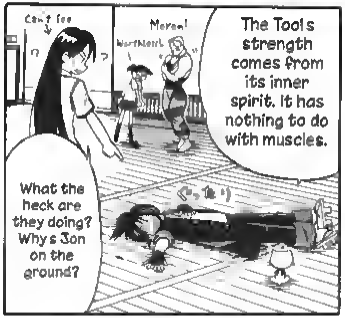
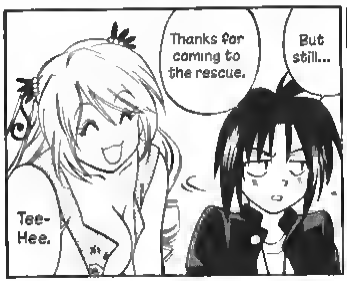
I let you be my slave because you had big biceps and were popular...

...break that chain!!
Pandora's gonna ...

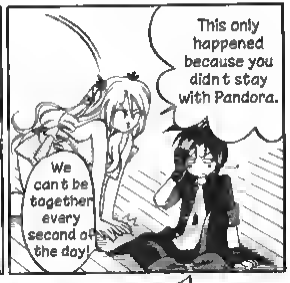


Can't for
Mereo!
What the heck are they doing? Why's Jon on the ground?
The Tool's strength comes from its inner spirit. It has nothing to do with muscles.

Aoi!
What's that supposed to mean?!
You ever hear that thing about glass houses and throwing stones?

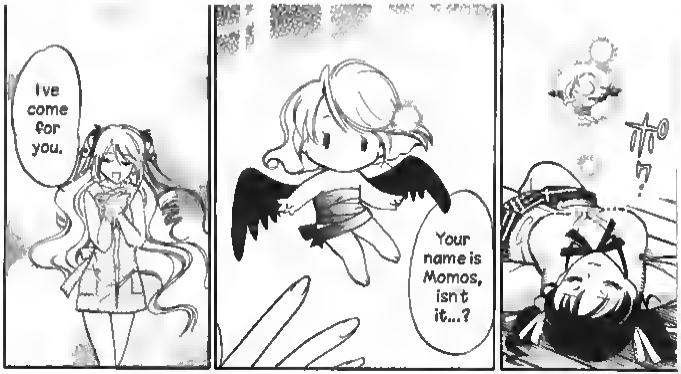


Thanks for coming to the rescue.
But still...
Tee-Hee.

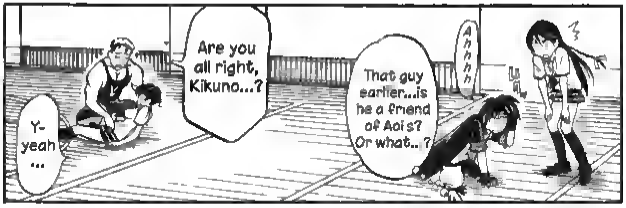


This only happened because you didn't stay with Pandora.
We can't be together every second of the day!

Now what are you doing to Jon?
Ah!
Agh! Cut it out!
Put some clothes on!!



I've come for you.
Your name is Momos, isn't it...?
Eh?



Y-yeah...
Are you all right, Kikuno...?
That guy earlier...is he a friend of Aoi's? Or what...?
Ahhhh

What's with the mood swings, girl? She's a total headcase...
I'm going home! School's full of nothing but rejects and retards, and I hate everyone and everything! I wish you'd all just go away!
わあああん
Don't touch me!! Macho guys and muscle men are gross!!

Chapter 10: A Dangerous Love

Don't act so smug, Jon!
Why'd you hit me?!
My name's not Jon!
Well... I suppose you did lend a hand, Suzu. Thanks.
Mgah!!!
Ah! Thank you, too, Suzu!
Children who can't manage their time don't deserve dinner!
Skipping out on their chores, too
They're late.

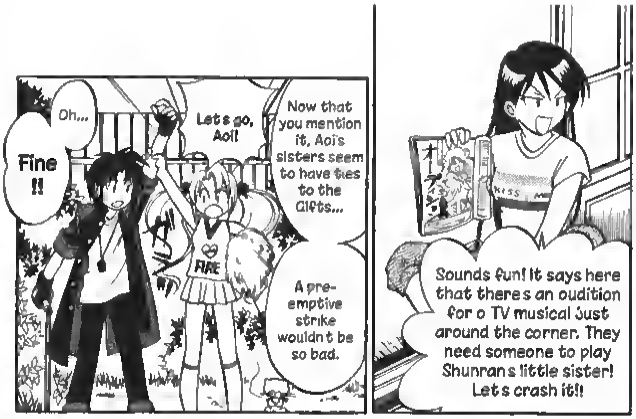
Oh--you mean like when you said you want a strong heart?
That's it!!
Strong as an ox! WOO-AHH!
I want to be a new man!
カキ・カキ・カキ
Oooh.
I'm not doing this because I want to fight!
No one who isn't already a good person would strive to be a better one.
Ooohh! You go, Aoi!!
FIRE
You give Jon too much credit. He's just going through a phase.
A mighty spirit resides in a mighty body!!
That's exactly what I don't need to hear.
You're such a cutiepie, Aoi! ♡

...just like that guy!!
I want to be...

That boy who got the drop on the teacher at Suzu's school, right?
I never saw him on campus
He was hot
You don't even know who he is. If you want to fight someone, I'm ready to go at a moment's notice!
Who's this other guy you're talking about?
It's nice to see a boy so determined Maya-chan, you should join his training program... maybe get a little more manly?
Huh?! I'm not manly?

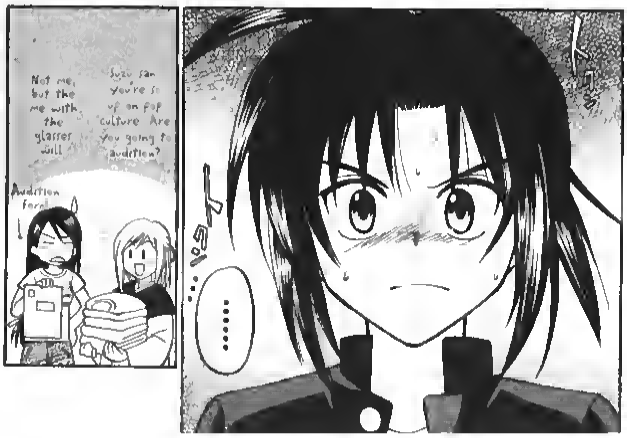
Glasses is a fan of hers but I've never liked her
You're getting her confused with yourself!
I bet Shunran is one of those celebrities who's real anxious at home
Aoi-san, I'm sorry, I just...
I'm a man who's thrown away his past!
I'm moving out!
Let me guess! You got a crush on her because she's not your real sister, and it freaked you out, so you ran away!
Really? Then why are you hiding from her?
I mean ... Shunran ...
Sister Shunran
Mattiyu! You're so cute!
...is polite and gentle. Unlike you.
The two of them are--
No way!

Oh.
Aoi-san!
Your sister's singing on TV!!
Wh-WHAT?!
What? You had a falling out? That makes you Shiran the model's brother, too?! How awesome!
Nothing awesome about it. We're not even related by blood...
Besides, none of that matters anymore.
You're Shunran's little brother?
Huh?
No...at least, not anymore...



Oh...
Fine !!
Let's go, Aoi!
FIRE
Now that you mention it, Aoi's sisters seem to have ties to the Clefts...
A pre-emptive strike wouldn't be so bad.
Sounds fun! It says here that there's an audition for a TV musical just around the corner. They need someone to play Shunran's little sister! Let's crash it!!

.....
Yeah ...
It's not like she's going to eat you or anything.
Whether you like her or not, wouldn't telling her how you feel be a step forward in your training?



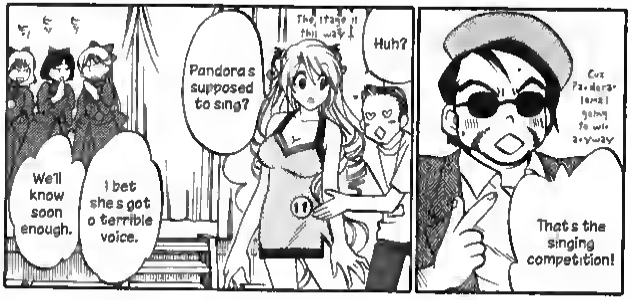
Not me, but the me with the glasses will
Suzu-san you're so into otaku culture. Are you going to audition?
Audition form
Eh...
.....

Oh, my... I had no idea...
HUH?! Is that true, Aoi? Cuz Pandora can sing, too!!
I told you it's not like that!
He's such a child. He confirms in the way he denies!
Say, Auntie? Does this sound fishy to you?
Looks like Pondora-chan has some real rivals now.
I've thrown my past away!
Forget it! I don't hate em, don't like em.
You're so cool!
たしたし
LIKE HELL!
FIRE
That's right! Tell everyone--including Shunran! Go and tell her that you're Pandora's manservant now!
What?
Then Pandora will tell her!

Pandora will get the part!!
Huh?
You.

WE NOW HAVE THE FINAL LINE-UP
WHO AMONG THEM WILL BE CHOSEN
FOR A ROLE IN "LET'S GO! SHIMEIKAN"
It's all so complicated.
We did. The auditions are just for publicity.
I thought we had decided that number ten, Azami-chan, would play my sister?
STARRING ALONGSIDE SHUNRAN IBARA?
I wonder... if he noticed ...?
I only started my singing career so Aoi could heor my voice...

Okay...can she be in the final round, then?
Director Sadoi, you can't just toss out all the rules!
Get bent, dirty, bitch
What about all the junk we had to do to get this far?!
Why does she get the lead?
She didn't even audition!



Pandora's supposed to sing?
Huh?
We'll know soon enough.
I bet she's got a terrible voice.
That's the singing competition!

Umm... contestant number eleven, Pandora, will sing now--
I thought we came here to confront Shunran?
The voice of a Goddess --how exciting!
I've never heard Pandora sing.

WHAT?!
Her Charming power is incredible
How did she jump that far up the chain?
Let's make her the lead!
I have no objection!
I pick you!
Wh--

Ahh!
Pandora? What are you doing...?
My sister, Shunran...

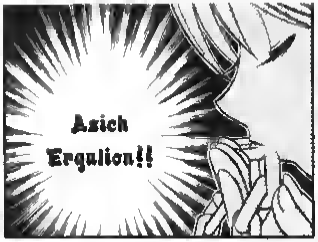
Pandora just come to talk to Shunran!
Owie!
Just who do you think you are? There's a process to go through, forms to fill out! Get a brain to go with those boobs!
Hey!
Aoi...

ウラ
ビリビリビリ

Azami-chan, it's your turn!
so ...
Tee-hee .. I'd love to fight you, but my slave isn't nearby today.
You have a Gift?!
Shun-nan?!
You ..
Yes, sister Shunran!
Huh?!
Defeat Pandora, and all your dreams will be fulfilled!
Okay
Wha—?
Huh?
I'll do my best!
And when it's done, Aoi and I will be reunited...

...it's fortunate you don't usually have to sing.
You're so good with the Charms...
What's wrong, guys?
Huh...?
Your voice is a real shock to the system.
If I didn't possess a Gift, I probably would have fainted, too.
Well, at least you can't say she sounds ordinary.

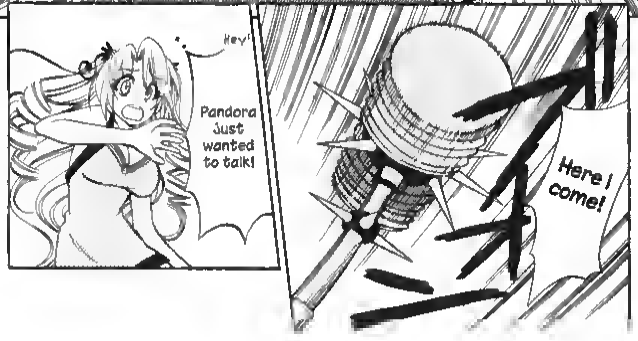
Azich
Ergalio!!
?!
Aoi...
Get back here!
Wahh!
Hi-yahh!
Smash!



Azich Ergalio!!

Get up, Daddy! I need you.

...the air right out of your lungs
I'll smash...



Pandora just wanted to talk!
Here I come!

Let's get this bimbo out of the way and get ready for your debut!
Yes, Daddy! I'll do my best!
And I'm a FAN this time?! How are you gonna win with that--?
Yahhh! You started a fight while I was out cold?!
Azami! Your dad protected you through the recession, and now he'll protect you again.
I thought fans hurt?! That other lady's hurt me!
You dummy! Are you trying to get us killed?! Fight!
I know! Pandora's turning into an admirer!
This slave is unusually determined.

Boink
What's that?!

Now's your chance, Pandora
Azami! Are you all right? Are you hurt?!
Oww! My own daddy's never even hit me...!
隷属解放!!
The bond is severed

!
huff
huff
...aren't supposed to show sweat.
Miss... you should know, true actresses ...
Ah!
Oh, no!!
Huh?
Eeeyyyah!
Waahhh. My face looks all greasy. And my hair's messed up, too!

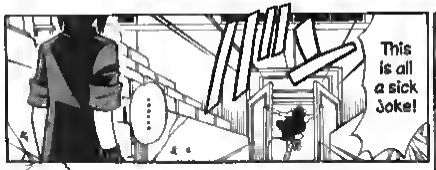
Wait.. Shunran
I have something to tell you.
Aoi...
Please, forget about me.
NO!
Are you going to tell me you want me back?
You've never called me by my name. How sweet! ♡
.....

Pandora's come for you!
Is your name Apate?
Don't worry. The Goddess did not cut the bond of father and daughter.
Oh, my.
Wait!
Our reunion is still to come, but at least I have something to look forward to. ♥
They got her.
What a shame. I guess I'll have to let Aoi go once more.

I hate you!

Why...? I can't...I've always...always loved you more than a sister should, more than our sister did...

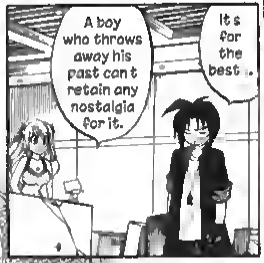
I want to gobble you up all for myself!



This is all a sick joke!

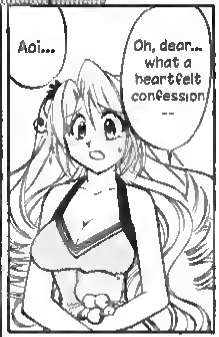
No...
That can't be...!

Aoi...



A boy who throws away his past can't retain any nostalgia for it.
It's for the best...

I have to make this clear...
I...
Uh, I...
She... seriously...



Aoi...
Oh, dear... what a heartfelt confession...

Chapter 11: True Bonds (Part I)

One has nothing to do with the other!
That means you love Pandora, doesn't it?!

WHAT?!
Hey... where are we?
What the hell happened to Shunran anyway?!
She left.
What are you doing to my dog?!
Cut it out!

But she has such an amusing voice...
None of your business!
カラオケ
Neat! What's Karaoke?

Perhaps...
...this is fate...
I'll go with you Shunran.
If we get rid of Pandora, Aoi will come back to us.
It's not even his fault. She probably Charmed him!
He'll get over this rebellious streak.
Sister Shiran...
We're going to defeat that girl and bring Aoi back to our family.
Araragi-sama...
Yes.
If that's your will... then let it be done!

It can't be true...
That's a lie!
It must be!
I hate you!
Araragi-sama! Aoi... hates me now.
What reason do I have to live?
I'm sorry, dear.
Aoi...

Huh?
Pandora-san, hold your chopsticks like this.
Try this.
I haven't seen one of those since kindergarten.
It's a spork!
Ha-ha. Pandora-chan, you're making a mess.
Fate has a hand in this.
can't eat another bite

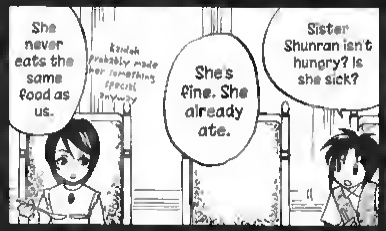
--so I can be like my idol!
I'm gonna eat a ton of protein foods--
Shut up already!
If you want to get big and strong, keep shoveling it in!
Sure!
Auntie! Another please!
Except I'm a human!
Dogs should eat outside!

Hey, Sister Shunran...
...did your bird die?
No, it flew away
You loved him?
Yes. I loved his feathers and his singing. So much so...
...that I ate him!
Ooohh! You liar!
あはは
Dummy.
He's taking you seriously.
Now we can be together forever!
Nuh-uh?
Did you really eat it?
Hey?!

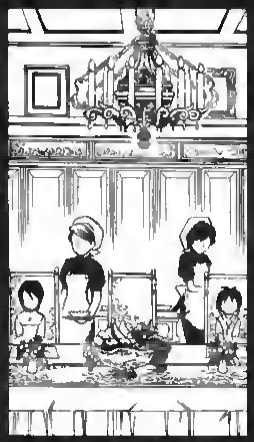
Aoi...
...you should get to know them.
We have a new member of our family.
This is your little brother, Aoi.
...one of them will be your bride...
Because one day...

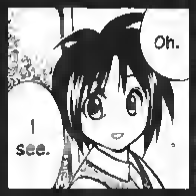
Oh!
Sorry!
I...
...just swallowed your blood.

...we're real brother and sister!
I guess now...



She never eats the same food as us.
Kaoruh probably made her something special, anyway.
She's fine. She already ate.
Sister Shunran isn't hungry? Is she sick?





Oh.
I see.

First a goldfish, then a cat, now a dog...
Another one of Shunran-sama's dogs disappeared.
Happens all the time.

She's too girly to be mean.
Nah! We're talking about sweet little Shunran-sama. They probably just ran away
Sugita-san... do you think there may be something peculiar about that girl?

Thank you...

I'll get the nurse!
Owww! I cut my finger!
Ack! You're bleeding!

A heavy weight on my heart am I in love?
.....
.....
Did you have a bad dream?
Dar-ling.
Good night.
.....
Thank you... Matsu-yuki ..
.....
No...
I'm not sure.
Hey...
If you want to talk, I'm always here to listen.

Yeah, but I don't know why.
Did ja hear Sugita-san just quit?
Hey.
Sugita-san was your favorite, wasn't she, Shunran?
The issue with Sugita-san is being taken care of. Please, less gossip, more work.
head maid!
We're sorry
Right ...
There?
There's no need to warry...
Sugita-san's right here.
...ate her, too!
I...

PANDORA!
Now, now. Let's Just all be more careful in the future.
Aw! I'm a meanie!
There's a price on your head, so you have to be careful!
What are you doing wandering off on your own?!
Me?! Did you forget we have to get back to give Auntie a hand?!
But I was having fun! Maybe it's you who shouldn't wander away from me!
Wow, you two don't get along after all!-

Shopping!
MAMMY
Are you looking to Join a Shaolin temple?
You've got an excellent carrying technique.
Huh?
Where's Pandora?
Training! Whenever, wherever!!
You sure have spirit

First order of business... release Aoi from your Charms.
Asick Ergalion!!
Prepare yourself!
I won't let you take him!
Asick Ergalion!

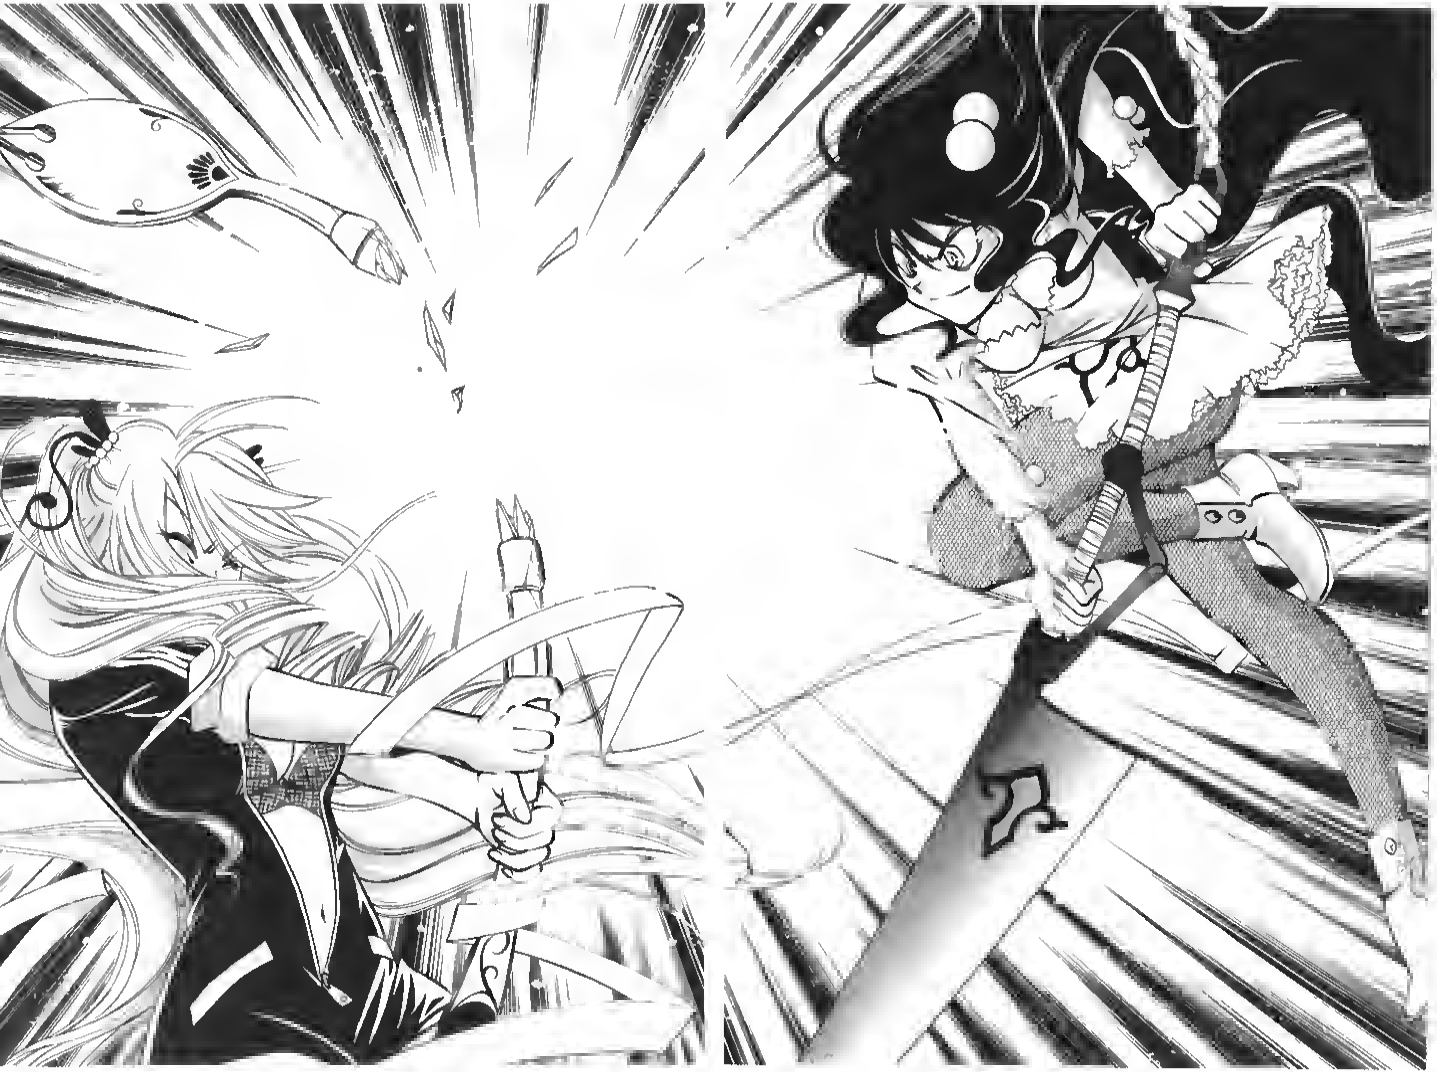
Long time no see, Aoi.
Did you think we'd let you wander off forever? ♡
Do you think he loves you more than his own sisters?
Shunran! He told you to give up already!
Sister Shiran...
!
Quiet, sonic-boom girl!
.....
Today, I'm prepared to go all the way.
Kaidoh!

...your bond...
...is too new to hold!!
Kaidoh has been my chef ever since I was a little girl.
Compared to us...
Hwah!!
Pandora-san, hang in there!
Maya, my dear, please be more alert.
Whoa! That was incredible!
Pandora, are you okay?!

万能の勝利
omnipotent
victory!
だゾ!
A giant spoon?!
Doesn't look very omnipotent.
Shut up, Matsuyuki!!

?!

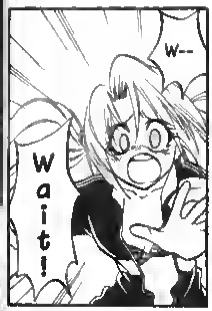
Aoi-san!
We're taking Aoi back with us.
What are you doing?!
Ah!
?!
Aoi-san!!!
Aoi-san!
Let me go!
Aoi's body!
Ah!
They're taking you away!!
But --!!
Moron!
Forget about my body and concentrate on the fight! You'll get yourself killed!



By comparison, the time you've spent with him is nothing.
Aahhhh!!
Don't take him!
NO!

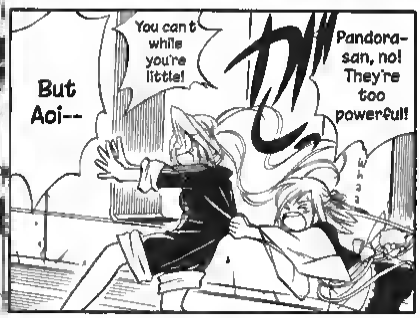
A--!!
--Aoi ?!
.....
Just as I thought... the bond between you is weak.
Aoi is our brother, he was raised with us.

Click
?!

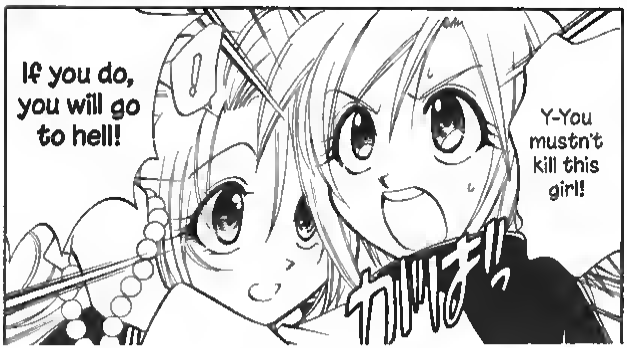


W--
Wait!

Bye bye.



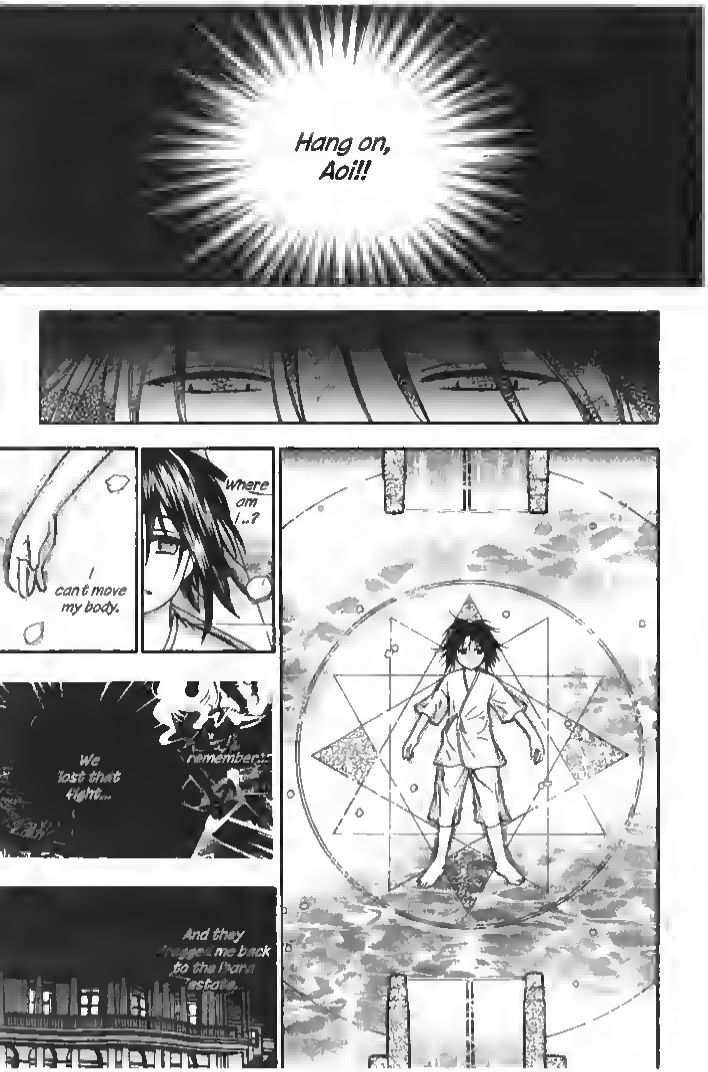
But Aoi--
You can't while you're little!
Pandora-san, no! They're too powerful!



If you do, you will go to hell!
Y-You mustn't kill this girl!

Gotcha!
Don't waste your energy
Fool.

Chapter 12: True Bonds (Part II)



Hang on, Aoi!!
where am I..?
I can't move my body.
We last that fight...
I remember...
And they dragged me back to the Hara estate.

Of course I'm going to stop you! You can't even use your Goddess Wish! The Gift will kill you while you're in this form!
Pandora's going to rescue Aoi!
Don't try to stop the Goddess, Maya!
Why? Do you have some sort of plan?
I know you're strong, Futaran-san...
I suppose it's my turn now.
Huff
Huff
Ahhhh!
Pandora-chan just ran out the door... Is something wrong?
It's almost time for
Plans don't matter in a real fight, Amagi!
Knock them out! Poke out their eyes! Block their punches!
You have a very strong heart.

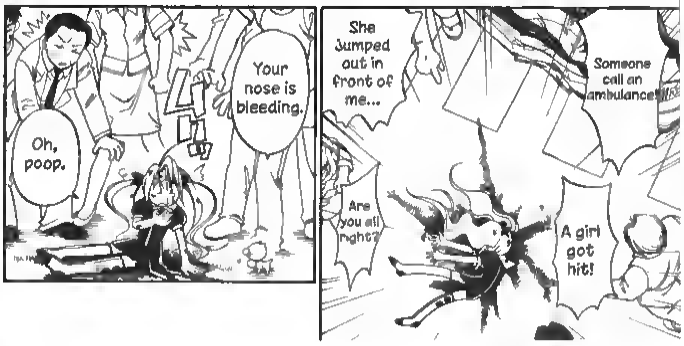
Hmmm... Maya said Aoi was taken to this place...
But ...
.....
Pandora can't run anymore ..
Running five minutes straight is pretty good.
You can't read Kanji, can you?
...tell Pandora where this is?!
Can someone ...
Help!!
Mattsun read it to Pandora...
...but she still doesn't know where to go.
Don't ignore the Goddess!
Hey!
Someone!
Take Pandora here!
Wait!

Stop worrying. I'll take care of it.
Still...I'm worried about his temper...
I look forward to seeing Aoi fully recovered and back with the family.
Aoi and Shunran are in the West Holly Tree Room.
Aoi has yet to regain consciousness, but he is recuperating nicely.

At last, Aoi and I will be together again.
Tee-Hee-Hee.

This girl's creepy!!
Geh!
Huh?
Are you a cat or something?!
Oww oww oww...
Nooooo. She messed up her clothes.
You may be little, but you're still a Goddess.
Man, when she's big, nothing hurts...
Ow ow ow. .
But she has to find Aoi!
Aoi will...

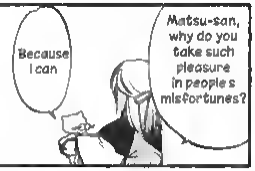
Yee
Yee
Wahh!
Out of my way, brat!
Hey, you!
Stop!
Ai-ya-ya!
Gaahhhh!



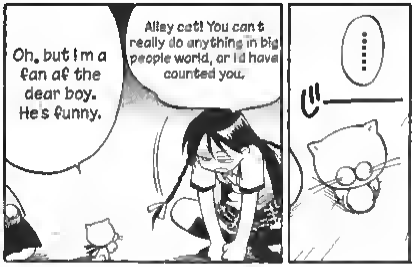
Your nose is bleeding.
Oh, poop.
She jumped out in front of me...
Someone call an ambulance!
Are you all right?
A girl got hit!

So how can she rescue him...?
But Pondora can't do anything without Aoi...
crybaby
Suzu...
Mayo...?
We've been looking everywhere for you!

Maya and I want ta rescue him, too! If the three of us work together, those trollaps can't stop us!
Yah!
Crying again!
Moron!
That's right.



Because I can
Matsu-san, why do you take such pleasure in people's misfortunes?



Oh, but I'm a fan of the dear boy. He's funny.
Alley cat! You can't really do anything in big people world, or I'd have counted you.

.....
!!——

Without Aoi here, Pondora can't rescue Aoi! Pondora's ironic!
You're useless, too, Mattsun!
And she calls me useless!
You don't know what ironic means, do you?

Pandora can't do anything without Aoi!
You finally figured that out?

Quit crying, you little wimp!!
HEY!

Let Aoi go!
Who's there?!
Who is that kid?
Gyaah!
Behave, little girl!

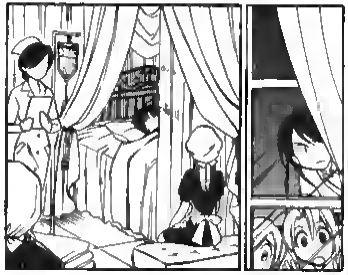
Sorry! Sorry!
Leave the cleaning staff to us! Go get Aoi!
But ...

Okay!
Just go, you dink!

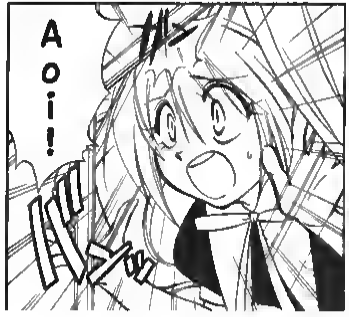
Hyahh!

Here are your weapons

Take us on any time, huh? You could've fooled me.
If they'd meant it, we'd be inside by now.
It's okay! Just a little farther!



They're better than nothing!
Where did you get these from? We look like gardeners.



Aoi!

Why...
That silly girl...if she'd just kiss you, she'd get all of her Goddess powers back.
Pandora, stop it!
...You!
Why you little--?!!

It's... She...
Grr...
That's not what I'm talking about...

Cut it out!
W-what the hell are you doing to yourself?!

I'm sorry! Forgive me!
うおりゃー

C'mon! Let's go!!
You guys came for me...?

Aoi!
Are you okay?

GUH.

Ah...!
You're that guy who--
Miss...
Who...
...are you?
You can call me Sanjuro Tsubaki.
Tsubaki.

Just hang in there.
They're only a few cuts. They'll heal!

I can't watch this.
Man.
?!

Stop...
Please...

Pandora...

Heh... pathetic, huh?

Pandora?

She's always causing you trouble.
Pandora's such a nuisance...

Tsu-Tsubaki-san!
But it's actually Nijuro!

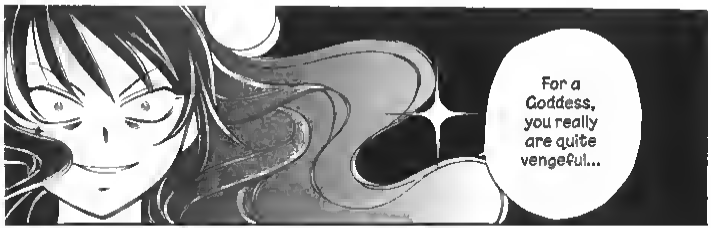
It's still no good... I haven't been able to control my own body since I got here.
.....
Wait!
Aoi!
TORRENT!

She's sorry...
...So sorry...

You shouldn't move him.
Aoi's still recovering from the battle.
Shunran
Wasn't it kind of me to let you live?
And yet you've still come to kill me!

Huh...?
Oh... My.
Whoa!
How?!
P-Pandora, you're heavy...
Wha --?!

Let's do this!
Yup!
Well...at least you have a style...
Her strength...
What?!
Urgh!



For a Goddess, you really are quite vengeful...

Asich Ergalion!
...though I'm not sure what.
Hang on! Why don't you make me into a real weapon for once, okay?
Aoi! This time Pandora will get the Gift!
Okay ...!
NEW
SPOON
It's the same as last time!
How's that?!

...of our true feelings for each other!
It's the strength ...
Kaidoh!
What's changed ...
...since last time?!
The strength of the bond has nothing to do with how long we have spent together!
バキッ

Bound

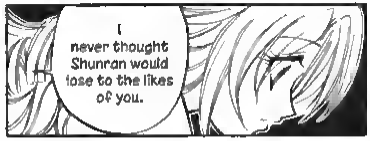
You'd better keep him safe. Even the slightest scratch will cost you.
Until we return...

.....

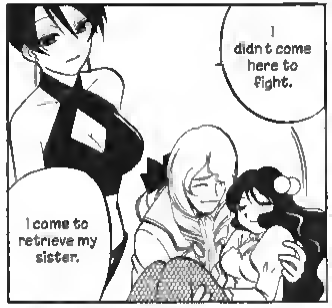
And you call yourself a man? Pathetic.
Not even a good day...
Ugh...I still feel really weak.
Aoi-san! Are you awake?
Aoi!
Funny girl...

You're Kale, aren't you...?
Come to me...

ズ"ル…

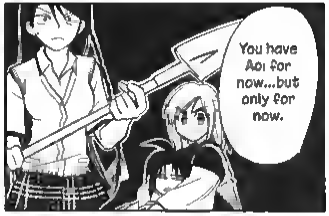


I never thought Shunran would lose to the likes of you.



I didn't come here to fight.
I come to retrieve my sister.

Shirani!



You have Aoi for now...but only for now.

ネ申様だもの。

Because I'm The Goddess

Aoi!
You always pull us through...
Amagi! You're a guy! You should be carrying me!
At least turn me around!
Argh! This is embarrassing! Put me down!
Gah!
You sure are pushy for a lowly dog!
I'd love to but... I don't think I'm strong enough.
So now Pandora will come to your rescue!
No, I shouldn't need protection.
Pandora will protect you, Aoi!

Huh? Well... I don't hate them, per se...
Why do you hate them?
Aoi-kun!
Who's this lady?
You just have no libido.
Now when I draw girls, I automatically give them big boobs!
I hate big boobs!
But I ran into a problem.
It's because you're tiny
In volume three, Aoi will have a different uniform.
See? I was right!
Cut it out! This uniform represents my unique spirit!!
Huh? What? Are you crazy?
I'll wear it! How'd you like that!
Take off your uniform!
Huh?
So, you're no different from other guys after all?!
I thought you were in the Ki-Zoku team
Are you deaf? Eight pages!
Huh?
...Huh?
Eight pages. Get to work.
You need eight pages.
For the end of this volume!
Aoi's clothes
So, turn to the next page for some guest art!
I'll gladly do eight more pages!
Unless you'd prefer no book...
Beggars can't be choosers
Viva! Boy's uniforms!
Just as guys like girls in sailor uniforms, girls like boys in uniforms like Aoi's!
How did you get on this topic, dear?

Hi, everyone! I'm Shamu Neko. Thank you so much for buying the second volume of Because I'm the Goddess.
I'll make, too. Right, me?
Because Pandora-chan's the Goddess (2)
I can't talk about the comic without discussing them first!
(Even if it is the second book!)
Big Boobs.
The biggest challenge for me on Goddess has been...
It was only research.
Yeah, that's it.
Pervert!
I studied dirty magazines like he suggested.
You don't understand big boobs!
One day, when I faxed sketches of Pandora to my editor...
There are only a C-cup!
You need more practice!
So, practice I did.
I had only just begun traveling the Big-Boobed road.
You've gotten pretty good!
At the end of my training.
Hard work builds character!
It's obvious
Ha-Ha-Ha.
Which means I probably won't ever be able to...
I couldn't imagine them, because I have no boobs!

(Tales of) Because I'm the Goddess

Hello.
I'm Fujita, and I was charmed by Mattsun in the first chapter. Shamu Neko's work studio is a wonderful place to be, filled with theories on how to become "Aoi's girl!" and the deliciousness of curry on rainy days. I suppose there is more, but that's all I heard while I was there. Which isn't to say it wasn't informative!

No way!!
Pandora! Make me into a girl!!
Aoi, worn out from all the S girls, comes to a decision!!
Pandora thought you wanted to be a man amongst men?!
Of course she can!!
You can't do it, can you?
My Because I'm the Goddess Ending
My apologies to the fans.
Shutsugumi, June Xth, 2004
Do---n!!
What! It's gone!!
I look the same on the outside though
You had one?
Yes, she can! She's the Goddess, so she can do anything!!
If you can, then prove it!
Stupid, stupid Aoi!!
If you can't, though, that's fine
Pandora doesn't want the final chapter to end that way!!
HAPPY END?
Congratulations!
That Guy
Now that he had been turned into a girl, Aoi married That Guy and lived happily ever after!

Thanks so much to all of you who came through for me and bailed me out at the last minute..

Yunosuke Yamashita
An old, old friend whom I've known forever. He told me to introduce him as "a random fan," but random fans don't pitch in and hand polishing off my drafts! I want to try some of Aoi's Matsu Wagashi! But I'm not sure about the pantyhose. Actually, I'm not sure any of this would sell, but it's nice to dream, isn't it?

Fujita
An assistant of mine until the middle of volume two. Aoi looks so masculine! Awesome! I love how when someone said, "This is a gay manga..." you simply told them, "Yes, it is!" I can't wait for you to make your debut. I keep checking the magazines for your comics (every time I buy more porn!). LOL!

Shutsugumi
A friend I've known since high school. My chief assistant! At least in name.
Every now and then, when he shows up, people still yell, "Chief!" He's awesome.
But now that you've turned Aoi into a girl and made him live happily with That Guy, there's nothing left for me to do...Pandora's popular with the guys, so she should

Shoko Yoshinaka
I've known her since the time I made my debut. I may draw manga, but she's amazing.
I suppose she's my travel buddy, too. I feel weird getting an invitation from her in these pages, but we should definitely go to Ginyama hot springs. If you're ever in Tokyo again, please come and stay with me.

Shiori Hayashi
My pinch-hitter assistant who comes whenever I e-mail her and scream, "Help!" Even boys can be hot sometimes, huh? Shiori is supposed to be getting a series in a Kadokawa shoJo magazine. Good luck! Hurry up and get it going already! Then I'll help you for a change

Did you have fun with Pandora and the gang? I know I had more! See you in volume three! - SHAM

Although she continues to collect all of the Gifts so that she can be a true god, Pandora has been distracted by some new hobbies. She takes a crack at cooking, which inspires unequivocal opinions. Then she decides to go to a singing audition, and she kills 'em...perhaps literally. But with Aoi's former family trying to lure him back home, Pandora faces a new challenge that even her Gifts, her cooking or her singing might not be strong enough to defeat!
